4th International Research Conference on FINANCIAL ECONOMICS AND HUMANITIES

Theme

Cultivating Economic and Personal Resilience:

Balancing Education, Economic Success, and Psychological Well-Being,
Mapping with Character Mastery for Sustainable Success.

Objectives:

The 4th International Research Conference on Financial Economics and Humanities invites scholars, researchers, and practitioners to explore the vital link between economic progress and human development. This year's theme emphasizes Character Mastery, Psychological Resilience, and Values-Based Education as drivers of sustainable success in a complex world. We welcome interdisciplinary contributions bridging financial economics, education, psychology, and the humanities to inspire policy, transform learning, and shape industry practices.

Conference Scope:

Commerce and Finance - Islamic Finance and Banking - Accounting and Corporate Governance - Economics and Data-Driven Economic Analysis - Fin-tech Innovations and Conventional Banking - Entrepreneurship and E-Commerce - Digital Marketing and Business Strategy - Education and Values-Based Learning - Psychology and Personal Resilience - Socio-Economic Development and Policy - Social Sciences, Arts, and Humanities.

Submission Guidelines:

- Abstracts must be within 300 words, clearly presenting the keywords, research objective, method, findings, and relevance.
- Full Papers should range from 4,000–6,000 words and follow APA or Harvard referencing style.
- Double-blind Peer Review to ensure quality and objectivity.
- Selected papers will be considered for publication in indexed journals and the ICFH proceedings.
